

Academic Energy 2017

Topic: Energy Storage

Time: 13-14.11 and 20-22.11.2017

Place: Vaasa, Finland

5 days of basic and applied training for

- Industry representatives
- Students

Renowed speakers from both academia and industry.

Will generate R&D projects for coming years.

Aims to train newcomers to the field, and to network them with experts.

Call for speakers until 1.6.2017

Send your proposals to Nina Berg, nina.berg@novia.fi
