Last name _____
 First name _____
 Date of birth: _____
 Education/future profession: _____

Tuberculosis	Yes	No
Were you born in a country with a very high tuberculosis incidence compared to Finland? (>150/100 000/y)*?	<input type="checkbox"/>	<input type="checkbox"/>
Have you resided for at least 12 months or have you worked in health care services for at least 3 months in a country with a very high tuberculosis incidence compared to Finland? (>150/100 000/y)*?	<input type="checkbox"/>	<input type="checkbox"/>
Have you in any country taken care of a patient with infectious tuberculosis without appropriate protection?	<input type="checkbox"/>	<input type="checkbox"/>
Have you been in close contact to a patient with infectious lung tuberculosis without appropriate protection?	<input type="checkbox"/>	<input type="checkbox"/>
*If the work includes taking care of newborn babies, the limit value for the incidence of tuberculosis in the country of birth or country of work is lower >50/100 000.		

MRSA (this is required from all students doing any clinical placement in Finland!)

Date of test:

Result: (dd/mm/yy) (must be negative)

You will have a retest upon arrival to Finland. Two consecutive tests are required. One from country of residence and one in Finland before the start of the clinical placement.

Date: _____ Signed: _____
