## **Degree Programme in Nursing, Åbo (Turku)**

Courses offered in English to exchange students, Academic year 2022-2023

### **Internship**

The learning outcomes and content of the Internship depends on the practice placement. Participation in an Internship course is possible only if a suitable place can be found and cannot be guaranteed in advance. Note that changes can occur due to covid-19.

### **Current Professional Practice in Health Care and Nursing, 3-5 ECTS (online)**

The student

- gains a deeper understanding of theory and/or nursing practice which supports the professional development and have knowledge of professional expertise

### **Multi-cultural care, 2 ECTS (online)**

The student

- can describe the connection between culture, individual and society in relation to care
- reflects on the ethical aspects of inter-professional care

### **English, 3 ECTS (only in Spring Semester)**

The student

- shows the ability to communicate in a professional manner in a work context in speaking as well as writing
- is familiar with essential terminology within his/her field and is able to benefit from professional literature
- has a positive attitude to developing his/her receptive and productive language skills and is familiar with the relevant tools
- is aware of cultural differences in international contexts

### **Swedish, 3 ECTS**

At an institution outside of Novia UAS.
